The teachers would have even more work than they ~~do~~ would in a twelve-month school. The only bad about year around school is that you ~~o~~ will not have any summer break at all.

Another thing about all year school is you'll see your friends ~~every~~ ~~single~~ mostly everyday at school. It is good for the students and teachers because they will have enough time to get to know one and another.

It would be good for the sports too they be able to have more than one
